PLEASE JOIN US FOR OUR ANNUAL HOLIDAY PARTY!

Saturday, December 9, 2:00 p.m.
At the home of Betty Ann Barnett
1452 Sandpiper Spit, Richmond (233-7580)

Please join us at **Ray and Betty Ann Barnett's** beautiful Richmond home for our annual celebration of the holiday season. We always have a wonderful time enjoying the company of our friends, the splendid views, and the holiday cheer. Please remember to bring a holiday treat of finger food – a plate of cookies or small sandwiches to share. Our host and hostess will provide coffee and tea.

Please also bring a book for a young child or a donation to be used to buy children's books. We are collecting books and donations to support two programs: **Read Aloud** for children at kindergarten through third grade levels, and the **Grant Birthday Book Project** for first and second grade students. Your generosity in the past has been wonderful. Our contributions are greatly appreciated by the children who benefit as they enjoy the stories while improving their knowledge and skills.

A quartet of A Cappella singers from the **Piedmont Troubadors**, a fully student-run A Cappella choir, dedicated to bringing fun and affordable entertainment to parties and special events, will provide the music for our gathering. Guests are welcome, and the fellowship will be rich and spirited. Please put this special event on your calendar now.

Directions: To reach the house, go west on Cutting Boulevard or take the 580 Freeway going toward Point Richmond, turn or exit onto Canal going south (towards the Bay). Drive seven tenths of a mile until the road narrows. Turn right on Seacliff and go up and over the hill and down to a stop sign. Turn left at the stop sign onto Sandpiper Spit and go almost to the end of the street. The house is on the Bay side of the street. Please park on the north side of the street, as there is no parking on the south (Bay) side of the street. **Carpooling is strongly encouraged, as parking is limited.** (Betty Ann advises that famous former UC Berkeley and current Seattle Seahawks football star Marshawn Lynch has purchased the house next door, and sometimes the street is busy with people coming to take photographs.)

PRESIDENT'S MESSAGE

We have a very busy exciting year. At the **October 21st Meeting**, former El Cerrito Mayor and President of the El Cerrito Historical Society **Rich Bartke** told us many interesting facts in El Cerrito's history. Women have always had an active role. The **November 18th Meeting** should also be very interesting. Two authors from **She Writes Press** (**Judith Newton** and **Amy Peele**) will talk about their books. **She Writes Press** is an independent publishing company founded in 2012, with a thriving publishing program dedicated to community, education, and giving women authors a voice and a platform for their writing.

Be sure to invite friends and others interested in **AAUW** to the meeting. Note if they join at the meeting they get a reduced rate (\$60.50 verses \$85).

Holiday Gathering: Then we close the year on **Saturday, December 9th** from 2-4 PM, with the annual **Holiday Gathering** at the beautiful home of **Ray and Betty Ann Barnett**.

2017-2018 Membership Directories have been distributed. Please review your entry and let us know if you have any corrections. Keep your Directory current by incorporating the changes that are in each Newsletter. See page 2 above. Please also note that we anticipate hearing a very special speaker at our **February 17, 2018** meeting: **Menbere Aklilu**, owner of the popular **Salute e Vita Ristorante** in Marina Bay in Richmond. She has served dinner and provided free flu shots and medical checkups to thousands of homeless people on Thanksgiving Day. She gives brunch to children who have lost their mothers to gun violence on Mother's Day. She has helped battered women, veterans, and many others in our community. She has received many awards, including the prestigious Jefferson Award, and has received an honorary doctorate from Holy Names University.

October 12th 6:30 p.m. California Women Lead Workshop - CANCELLED

Unfortunately, this event had to be cancelled. The head of California Lead (who was one of the presenters) is on Governor Brown's state of emergency committee and was very busy with the wildfires. We are hoping to reschedule the workshop in early Spring.

Tech Trek: The **2018 Tech Trek** program is starting. We have again requested nine positions at the Sonoma State University camp. In January we will start working with the West County schools on the nomination, selection, and processing of the seventh grade girls. Effective November 1, the fiscal responsibility of the California Tech Trek Camps will return to **AAUW CA Special Projects Fund (SPF)**. Donation checks will now need to be made out to **AAUW CA SPF** with **Tech Trek** in the memo line.

As always, I thank you for your support. I appreciate all you do for the branch considering your busy lives and other commitments. I enjoy working with such special women.
